

2019 Cabernet Sauvignon

Napa Valley

Vineyard Details:

Owned by the Eakle family Pope Valley Winery is located in the northeastern hills just beyond Howell Mountain in Napa Valley. Our two estate vineyards with a combined 80 planted acres, at the winery and our Eakle Ranch vineyard, yield rich distinctive wines characteristic of the terroir. Our wines showcase the mineral complexity of the soils - Pleasanton loam and Bressa-Dibble complex. Pope Valley is a warm growing climate with cool evenings and mornings which allow the grapes to hang on the vine long enough to ripen to their fullest potential, yet cool enough at night to develop complex varietal aromas. Pope Valley wines express the historic character that established Napa Valley as one of the premier growing regions in the world.

Winemaking notes:

This is a blend of wines made from Eakle Ranch and the Estate fruit. They were hand harvested and sorted, destemmed to tank and held for a 5 day cold-soak. The various lots went through warm to hot fermentations, depending on fruit characteristics and were pressed before dryness to retain the silky, supple texture. Blends were put together early and the wine was aged for 24 months.

Tasting notes:

Cool menthol aromas unfold to button mushrooms and cassis; the palate is dark and round supported by mulberry and coco flavors; followed by a soft-warm finish with fine tannins.
